

# KEY

## Board Readiness

What can leaders aspiring to board roles do to prepare and position themselves for success? Learn how you can develop what we call "boardroom capital."

## Skill Building

Explore the essential knowledge you will need to serve on a board of directors.

## Timely Topics

New technology, social/political issues and compliance regulations are industry trends that are rapidly changing. Timely events are a great choice whether you aspire to be on a board or have sat on a corporate board for decades.

## In-person Events & Dine Around Town

These events are specifically designed to facilitate networking between current and aspiring board members. The goal is to put you within arms reach of the boardroom and those who currently serve on boards.
